NUDIST PRINCIPLES

WE BELIEVE in the essential wholesomeness of all human bodies and the natural functions and activities which they perform. We believe in the naturalness of social nudism and we consider that exposure of the entire human body to sun, light and air is beneficial. We believe that we have a right to practice social nudism, provided that we do not infringe upon the rights of others.

Membership Information

Hill Country Nudists (HCN) is a family-oriented club. Membership is open to mixed-gender couples, families and singles. All membership applications are subject to approval by the HCN Board of Directors. See eligibility requirements on the reverse side. All accepted memberships are probationary for the period of the first year. Members may be dismissed for unacceptable behavior, as determined by a majority vote of the Board of Directors.

I (we) have read the principles and standards of Hill Country Nudists as printed above and accept them for myself (ourselves) and, as far as possible, I (we) accept them on behalf of my (our) immediate family and household, both as to theory and practice. I (we) hereby make application to be accepted as a member of Hill Country Nudists and either The American Association For Nude Recreation, Inc. (AANR) or The Naturist Society (TNS). I (we) agree, if accepted, to pay dues and fees annually, or as otherwise required, to abide by the principles and standards, to be a worthy member of the organization and to do nothing which will, in any way, bring the organization into disrepute. I (we) agree also that should the Board of Directors of HCN or the Executive Committee of AANR deem it for the best interests of the respective organization that my (our) membership be canceled for cause. I shall abide by that decision, but with the provision that in the event of such cancellation, any dues paid for the current year shall be returned to me (us) on a prorated basis. In order to furnish information upon which this application may be adjudged, I have filled in the information requested and personally vouch for the truth of my answers. In the event of any losses sustained by me or by members of my family, either on the property of the organization or as a result of my membership therein, I agree to hold harmless and wholly non-liaible the organization and the officers thereof.
